With over 25 years of experience, including healthcare and PE-backed businesses, Stuart is a pragmatic thinker who can architect strategies while also being tactical and hands-on in the rollout of financial and operational processes.

Healthcare PE Highlights

Brad Oldham
Dallas/Fort Worth Office

Brad has over 25 years of experience working with private and private equity-backed companies as a CFO, owner/operator, private equity investor, and investment banker. He has a strong background in operations, mergers, acquisitions, divestitures, investing, and capital raising. Brad's background consists of early work with a Big 4 accounting firm and extensive experience in the healthcare industry. He has served as the CFO of multiple healthcare companies in various sectors, including Skilled Nursing Facilities, Assisted Living Facilities, Durable Medical Equipment, Intellectual and Developmental Disabilities, Psychiatric Hospitals, Institutional Pharmacies, and Radiology.

Lance Shipp
Dallas/Fort Worth Office

Lance is an experienced financial and operational strategic planner with a passion for scaling organizations through people and process improvements. Having served as CFO in a variety of industries, including healthcare, Lance is frequently sought after by CEOs, Founders, venture capital firms, and private equity managed investment teams to support their executive team strategy.

Jack Riccardi
New York Office

Jack is a results-oriented, strategic Chief Financial Officer with over 30 years of progressive leadership roles in strategic planning, treasury, corporate finance, and financial accounting within private and public start-ups, medium-sized organizations, and multinational organizations. He is a creative and analytical thinker with a demonstrated ability to drive growth, increase efficiencies, and manage risk through process improvements and best practices. Jack has comprehensive knowledge of all aspects of financial management and accounting, including GAAP, SEC reporting, regulatory compliance, and internal controls. With experience in mergers and acquisitions, equity raising, and debt structuring, Jack is a trusted advisor to the CEO and Board, bringing strong capabilities in analyzing, synthesizing, and reporting KPIs to support strategic decision-making.

Charles Hubbard
New York Office

Charles has over 30 years of diversified senior financial management, operations, and administration experience with a variety of top-tier financial organizations. With a broad background, that includes healthcare, Charles demonstrates a high level of expertise in strategic planning, regulatory compliance, profitable business development, restructuring, and treasury and risk management.

Shyamal Parikh
Dallas/Fort Worth Office

Shyamal is a highly accomplished financial executive with a strong history of directing fiscal activities in organizations from start-up to $16B in revenue. Among his many successes, Shyamal completed an IPO readiness and assessment for a med-tech, healthcare start-up.

Brian Alleman
Dallas/Fort Worth Office

Brian is a seasoned financial and operations executive. Brian has successfully raised capital, implemented investor relations programs, gained relisting on NASDAQ, achieved significant revenue growth, and returned companies to profitability. His vast experience includes a publicly traded medical device company.

Todd Miller
Chicago Office

Todd is an accomplished executive with over 25 years of experience serving as the CFO and COO for a variety of organizations in varying stages of size and development. He has a proven track record for building high-performing teams with the ability to manage aggressive growth and change. Todd has extensive expertise in working with healthcare revenue cycle and payer management systems for both acute and post-acute entities. He has a deep understanding of all types of payers, especially Medicare and Medicaid. His background also includes organizations both pre- and post IPO, including financial restatement, regulatory reporting, due diligence, and compliance.

Andrew Pendleton
Houston Office

During his career of over 30 years, Andrew has held financial executive positions in various industries, including a broad background in healthcare. Andrew specializes in distressed entities with a critical gap in financial or leadership capabilities, utilizing his expertise to help organizations thrive.

Greg Price
Houston Office

Greg is an analytical and process-driven Chief Financial Officer with over 45 years of experience spanning entrepreneurship, executive leadership, and financial strategy. He brings deep expertise in due diligence, mergers and acquisitions, and ensuring compliant, seamless integration. Greg has also led capital management and fundraising initiatives, successfully raising over $65M across three financing rounds for a healthcare enterprise SaaS company (Class II Medical Device). In his role as CFO and Secretary-Treasurer, he supported an organization focused on AI-powered clinical decision support software, driving strong financial outcomes including a 66% year-over-year increase in EBITA. He improved strategic planning processes, achieving a 100% increase in forecasting accuracy to support more effective capital allocation. Additionally, Greg streamlined financial operations by implementing robust accounting systems and strengthening internal controls, resulting in a 97% improvement in reporting timeliness.

Tom Patterson
Dallas/Fort Worth Office

Tom is a financial executive with over three decades of experience in an array of industries. Beginning his career with a Big 4 Accounting firm, he has broad expertise in finance, accounting, strategy, and mergers and acquisitions. Tom has a significant background in complex business transactions, having served as the CFO and Chief Administrative Officer at two industry-leading organizations in healthcare and real estate.

Healthcare PE Highlights

Bill Chui
Dallas Office

Bill is an entrepreneurial Chief Financial Officer and board member with more than 20 years of experience helping healthcare, technology, manufacturing, real estate, and other complex organizations improve performance, strengthen financial operations, pursue growth, and prepare for successful transactions. His background includes leading a healthcare company through a competitive sale to a publicly traded acquirer, preparing a manufacturer for acquisition, and co-founding and scaling a digital marketing business to more than $10 million in annual revenue. Bill combines operational finance, strategic planning, transaction execution, and team leadership with a practical, data-driven approach. Throughout his career, he has improved margins and cash flow, rebuilt finance organizations, developed performance metrics, evaluated acquisitions and divestitures, and advised executives on decisions affecting long-term value.

Steven Russell
Atlanta Office

Steven is an accomplished Chief Financial Officer with more than 30 years of executive leadership experience helping private equity-backed, healthcare, and multi-site organizations improve financial performance, strengthen operations, and execute complex strategic initiatives. Throughout his career, Steven has led complex turnaround, recapitalization, and growth initiatives that have strengthened the financial performance of healthcare organizations at critical stages of their evolution. His accomplishments include delivering more than $5 million in annualized cost savings through operational and back-office optimization, restoring positive cash flow, securing both debt and equity financing, and restructuring balance sheets to improve financial stability and support long-term growth. He has successfully negotiated a $50 million credit facility, led recapitalization efforts, integrated 11 acquisitions by streamlining financial and operational functions, and implemented scalable processes that enabled organizations to grow efficiently while maintaining financial discipline.
