Mark Kerr
Partner

Key Experience

Commercial Real Estate Debt and Equity Fund Company:

As Controller, Mark reworked all Fund accounting systems, procedures, and processes, including a new entity set up. He also hired staff and procured an offshore accounting group.

Pipeline Construction & Oil Field Services Company:

As Controller, Mark streamlined Customer billing systems and reduced the collection cycle by 45 days. He also reworked key accounting areas, including, GL, AR & AP Systems.

Signage Company: As Chief Financial Officer & Controller, Mark restructured key areas of the organization, including, accounting, financial reporting, bank debt, administrative, HR, risk management, processes & procedures. He also strategically implemented ERP Enterprise Level Manufacturing system.

Commercial Welded Wire Manufacturer: As Controller, Mark completely overhauled accounting, financial reporting, budgeting, bank debt, administrative, logistics, human resources, IT, risk management, production reporting systems, and processes & procedures. He implemented ERP Enterprise Level Manufacturing system from a start-up perspective. Most notably, Mark successfully refinanced real estate and working capital lines of credit adding 35% to available funds and the completed first company audit in 40 years.

Contract Manufacturer/Distributor of Mobile Video Recording Systems: As Controller for this international company, Mark streamlined Financial Reporting for both internal and bank reporting, reducing production time by 60%. He developed Complete Corporate Financial Model for budgeting and bank debt compliance. Mark also developed & executed a plan to take the department 90% paperless in Reporting, AP, AR & Payroll systems.

Telecommunication and Financial Services Firm: As CFO & Business Development Director, Mark hired & trained corporate financial staff, including a Controller, to merge two entities. He was also the Top Company Sales Representative each year and the sales leader in the Automotive & Medical industries. Mark provided training for partners in Dallas, Boston, Kansas City, St. Louis & Atlanta in an initial sales presentation, transaction processing, utilizing CRM software through closing, and transaction funding.

Automotive Services Company: As Chief Financial Officer & Controller, Mark was responsible for company-owned stores & franchise company financial reporting, budgeting, financing, accounting, new store site selection & acquisition, company-owned real estate, management information systems, administration, HR, and risk management functions. He directed the financing of Private Equity and Subordinated Debt for a management-led buyout of the company and financing of company-owned real estate.
