Executive Profile

Gene Jones is a partner in the Houston office of SeatonHill. For over 35 years he has served within various executive roles including Chief Financial Officer, Chief Operating Officer, Corporate Treasurer and Controller for public, private equity, venture funded, and start-up companies. He has long history of helping firms of all sizes with financial management, IT, human resources, risk management, and technology services. Key verticals served include technology services, manufacturing and distribution, retail, restaurants, law firms, litigation support services, and physician practice management. Areas of focus include companies in transition, especially those challenged by leadership changes or process remediation, and companies in need of emergency funding or fraud detection and investigation. Gene's extensive experience includes 10 years with KPMG where he managed hundreds of engagements, the implementation of over 40 M&A transactions, and leading the sales process for six different private equity firms.
