

SEATONHILL

We are successful business leaders with deep financial backgrounds.

When you work with SeatonHill, you get vast business and financial experience from a team whose mission is your success. Since 2009, we've provided expert, cost-effective fractional, interim, and advisory services to small and mid-sized businesses across virtually every industry.

Every client gains access to the financial and business leadership of a dedicated world-class CFO, backed by a broad and deep national firm. We bring decades of collective experience as business leaders for the top firms in the world. We pick up where the financial statement leaves off. With SeatonHill as your partner, you'll know what's causing your numbers, quickly spot gaps and opportunities, and adapt to change with speed and confidence. That is clarity attained.

WHAT WE CAN DO FOR YOU

Fractional or interim CFOs

Business analytics for informed decisions

Process improvements

M&A transactions across multiple industries

Capital transactions and cash management

Strategic and operational planning

Financial advisory for CEO and board

Corporate turnarounds

For the leader with a vision, we help to reach it. For the company that needs information to make mission-critical decisions, we provide it. We help you operationalize every detail to meet your objectives directly and securely.

CEOs, FOUNDERS, OWNERS

The bench strength to augment your team and support rapid growth

Strategic guidance as you restructure capital, functions, or staff

Informed, objective senior management thinking and insights to guide decision-making

CAPITAL PROVIDERS

Due diligence from an experienced financial operations team

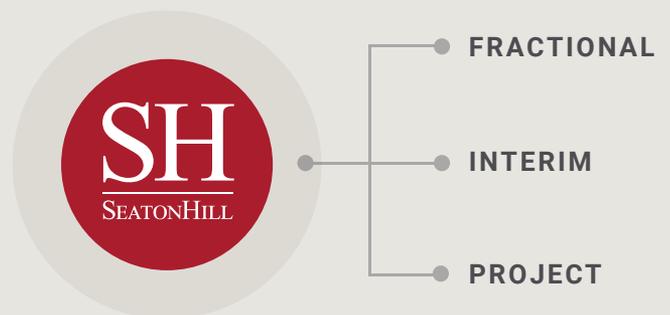

Business plan and financial model development and testing

Post-investment enhanced financial management and reporting

SeatonHill advisors represent the top echelon of CFO talent. Together, we provide a complete range of CFO services to solve for your needs and organizational structure.

- Permanent part-time Fractional Financial services
- Temporary full-time Interim Financial services
- Project-based Advisory services

Whether we are rolling up our sleeves to work on site as a member of your team, filling a gap, or addressing a specific business or financial need, you can expect sophisticated, attentive, executive-level support at a fraction of the cost of a full-time role.

Our highly credentialed CFOs and MBAs bring an average of 30+ years of business and financial leadership experience with some of the most significant and impactful companies in the world.

SeatonHill provides fractional and interim outsourced CFO solutions, including operational and management services, financial reporting services, and transaction support services. We partner with small and mid-sized businesses to increase their odds of achieving increased revenue, bottom line, and cash flow results.
